UC Health
UNIVERSITY HOSPITAL
Air Care & Mobile Care

Holiday Inn Hotel & Suites Cincinnati –
Eastgate, Cincinnati, Ohio

Air Care & Mobile Care is pleased to offer our
ninth annual one-day conference for emergency
medical professionals.

Conference Objectives

By the end of the conference the attendee will be
able to:

- Discuss recent research and developments
in pre-hospital care in regards to myocardial
infarction, stroke and trauma.
- Pediatrics thru geriatrics - Identify life-
threatening and common injuries.
- Understand the methods and medical
applications for administering intranasal
medications.
- Identify new stroke management therapies.
- Assess difficult airways in pediatric and geriatric
patients. Learn how to use critical decision-
making techniques to determine appropriate
airway management.
- Discuss how helicopter EMS can optimize care
of STEMI patients.
- Apply safety strategies in the creation of
helicopter EMS landing zones.
- Understand the importance of psychological
first aid and learn how to effectively treat
children and adolescents during a time of injury
or crisis.
- Recognize the important role that collaboration
plays in the rapid transport of patients. Learn
how to effectively utilize the Air Care team to
help patients in time critical situations.
